Company Overview

- AS Solution Global Training Division is part of AS Solution, a global security and risk management company. In 2003, AS Solution started in Denmark and has since become a top player in the Executive Protection industry. From the start AS Solution was built to help our clients with “Specialized Security Solutions” all over the world. To achieve this we have built a strong combination of “sister companies”, full time remote employees, partners and subcontractors. Our focus and commitment to quality has enabled AS become one of the world’s first and only executive protection firms to have a quality system and process that has been certified to fulfill the requirements of ISO 9001:2000. The global activities are performed either directly from the Danish company or by subsidiaries located in strategic chosen countries. The AS Solution Group currently has company offices located in The United States of America (Bellevue, WA and Atlanta, GA), Denmark (Herlev), Kenya (Nairobi), Tanzania (Usa River), India (Bangalore), The United Kingdom (Surrey), South Africa (Pretoria), Singapore, and Dubai. We also have remote agents in Johannesburg South Africa, Lagos Nigeria, Cairo Egypt, Moscow Russia, Tel Aviv Israel, Beijing China and Sao Paulo Brazil.

EP TACTICAL COURSE MANAGER

Our course manager and EP tactics instructor brings over 21 years of operational and instruction experience at the highest levels. During his service at the IDF Counter Terror School, he was awarded the Israeli Presidents Award for Teaching Excellence for his work teaching counter terror snipers and special forces soldiers at the school.

Once he resigned from the IDF, he went on to serve as senior instructor and special agent at the Israeli General Security Service tactical combat academy teaching both VIP Protection and Counter Terror.

TacMed Staff

All AS Solution medical Instructors are combat paramedics who served in Israeli elite military units.

They have led their medical teams on missions in remote areas and dealt with complex injuries in hostile environments. You will receive the most up to date medical protocols and they will share their personal individual experiences from real life scenarios. Our Instructors have experience teaching Special Forces units, SWAT units, EP teams and TEMS (Tactical Emergency Medical Support) teams.
